

Presentation Introduction

We are fortunate today, to have one of the most unique safety speakers you will ever see. He has profoundly changed the way people communicate their safety messages. For more than nineteen years, John Drebinger (Dreb in ger) has helped his audiences improve their safety performance at work and at home. John serves a diverse list of clients, including NASA, ExxonMobil, Boeing, Anheuser Busch, General Motors, Sony Pictures, and many others. His book, Mastering Safety Communication, is loaded with great tools and techniques; over 75,000 copies have helped safety teams be more effective.

John has a Bachelors Degree in speech, and is a Certified Hypnotherapist. A member of the National Speakers Association, he has earned their highest designation, “Certified Speaking Professional.” John is also a member of the famous Hollywood Magic Castle. He is an Eagle Scout and has been an active member of the Boy Scouts for over 48 years.
