

Today we have the opportunity to hear a unique safety speaker.

Using magic and humor, he has delivered his message to thousands over the past twenty-two years.

He is an innovator in the field of safety communication and many attribute him with saving lives.

His presentations and ideas have helped a diverse list of clients to reduce the number of people hurt each year.

Of the hundreds he has served - a small sample includes - NASA, ExxonMobil, Boeing, Anheuser Busch, all branches of the United States Armed forces, Twenty-Mile Coal Company, Southern California Edison, General Motors, and Sony Pictures.

His first book, “Mastering Safety Communication”, has sold over 75,000 copies and his latest book, “Would You Watch Out For My Safety?” which you are receiving today is already on its third printing in less than a year.

John has a Bachelors Degree in speech, and is a Certified Hypnotherapist.

He is proud to be a Professional Member of the American Society of Safety Engineers and has spoken at their National Convention for the past 17 years.

A member of the National Speakers Association, he has received their highest earned designation, “Certified Speaking Professional.” John is also a member of the famous Hollywood Magic Castle. He is an Eagle Scout and has been an active member of the Boy Scouts for over 50 years.
